

Web of Science - Remote Access

Web of Science allows remote (roaming) access to its platform from outside the UKSW network via an **individual user account**. To register an account, please:

1. Go to **https://www.webofscience.com** from **computer/device CONNECTED TO UKSW NETWORK** (IP address will be verified).
2. Click **„Register“** to create new account.

3. Fill the **registration form** and click **„Register“**.

A screenshot of the Web of Science registration form. The form is titled 'Register for a FREE Web of Science Profile' and has two tabs: 'Sign in' and 'Register'. The 'Register' tab is active. The form contains the following fields: 'Email address', 'Password' (with an eye icon to toggle visibility), 'Re-enter password' (with an eye icon), 'First Name', 'Last Name', and a 'Captcha' field with the text 'mVUuX' and a refresh icon. A 'Register' button is located at the bottom of the form. To the right of the form, there is a promotional section titled 'Register to personalize your Web of Science experience' with the text: 'With your institution's access, you can register for an account to unlock more Web of Science features:'. Below this text are four icons with corresponding text: 1. 'Save work' (document icon): 'Save your searches or create customized marked lists to organize your research.' 2. 'Connect to more products' (handshake icon): 'Export to your EndNote library with one click and stay signed in across Clarivate products.' 3. 'Find new content faster' (hand with magnifying glass icon): 'View recommended content in your search results and directly on your personalized homepage.' 4. 'Stay up to date' (bell icon): 'Receive alerts for new search results, citing articles, and journal content in your research area.'

4. The activation link will be send to the e-mail address given during registration. Open it and click „**Verify email address**”.
