

ALTERNATIVE ACCESS TO

ICI JOURNALS MASTER LIST

CREATING ACCOUNT

To use alternative remote access to the ICI Journals Master List database, you must create an individual user account. To do this:

1. Go to ICI Journals Master List webpage, using link from UKSW Library website:
<http://han.uksw.edu.pl/han/jml-indexcopernicus/> **from the computer connected to UKSW network.**
2. Log in with your access details to Microsoft 365 UKSW and type in one-time code from two-factor authentication application.
3. After entering the database, among few options, click „Register”.

4. Complete the registration form and select the required consents.

User registration

Create an account at the selected scientific institution

You are registering an account at: **Uniwersytet Kardynała Stefana Wyszyńskiego w Warszawie.**

Password

☐ I have read the [Terms of Use](#) and [Privacy Policy](#) of ICI Journals Master List and accept their provisions.

☐ I acknowledge that my personal data will be processed by Index Copernicus Sp. z o.o. for the purpose of creating and managing a user account, using the functionalities of the ICI Journals Master List system, and providing services electronically in accordance with the [Terms of Use](#) and [Privacy Policy](#).

Register account

[Back to home page](#)

- Click „Register account”.
- Confirm your registration by clicking the activation link received in the email address provided when filling out the registration form.
- After clicking the activation link, you will be redirected to the database where you will see a message confirming your registration.

Account activation

Account activated
You can log in to the system.

Go to login

8. From now on, you can use alternative remote access (remotely, from outside the UKSW campuses, without having to log in via the HAN service).
